

RESOLUTION NO. 12983-16

A RESOLUTION APPROVING A CAPITAL IMPROVEMENTS PLAN FOR THE FISCAL YEAR 2018 TO THE FISCAL YEAR 2022 FOR THE CITY OF NEWPORT NEWS, VIRGINIA.

WHEREAS, the Council of the City of Newport News, Virginia (the Council), reviews and controls its capital expenditures through the annual preparation and implementation of a multi-year capital improvements plan (CIP); and

WHEREAS, a CIP reflects the vision and priorities of the Council with respect to the need for the construction and maintenance of those buildings, improvements and services deemed to be capital expenditures of the City and the need for multi-year funding for certain such projects; and

WHEREAS, although a CIP is intended to be a commitment to a long-range capital improvements program, it is fundamentally a planning document and is, therefore, subject to modification and amendment by the Council as changing priorities, the availability of revenues and other factors create the predicate for such modification and amendment; and

WHEREAS, in accordance with Section 2-16 of the City Code, the City Manager prepared a proposed CIP for the City for the Fiscal Year 2018 to the Fiscal Year 2022 under cover of a memorandum from the City Manager to the Council dated October 25, 2016; and

WHEREAS, the Council has itself conducted a thorough review of the proposal at work sessions conducted on October 25, 2016, and November 22, 2016; and

WHEREAS, the Council is prepared to approve a CIP and direct the City Manager to plan for and present for funding those projects listed as Fiscal Year 2018 projects.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Newport News, Virginia:

1. That it desires to, and hereby does, approve the Capital Improvements Plan for the Fiscal Year 2018 to the Fiscal Year 2022 presented to the Council under cover of a memorandum from the City Manager to the Council dated October 25, 2016, a summary of which Plan is attached hereto.

2. That it hereby authorizes and directs the City Manager to plan for and present to the Council for funding during Fiscal Year 2018 those projects listed in the hereby-approved Capital Improvements Plan for Fiscal Year 2018. In recognition of the nature of a CIP as a planning instrument, this directive to the City Manager shall not be construed to establish an obligation that the Council must approve or fund any individual project so listed.

3. That this resolution shall be in effect on and after the date of its adoption, December 13, 2016.

PASSED BY THE COUNCIL OF THE CITY OF NEWPORT NEWS ON DECEMBER 13, 2016
